

Test Your Knowledge! Grant Modifications – Partnership Restructure

Scenario 1:

Faustino School District and a Community Based Organization are currently partners on a 21st CCLC grant. The district has had conflict with the Community Based Organization (CBO) listed as a partner on the grant and no longer wants them providing programming for their sites. The Community Based Organization would like to continue serving the schools outlined in the original grant. Faustino School District has submitted a Partnership Restructure Application to remove the current CBO and add another to provide programming.
Is this allowable? Why or why not?

Answer:

Scenario 2:

Shumate County Office of Education (COE) serves as the fiscal agent for 2 school districts in their county. The COE is interested in adding one of the districts as a partner on their ASES application. However, the district only wants to be responsible for the schools in their district.
Is this allowable? Why or why not?

Answer:

Scenario 3:

Brady Unified School District is a partner on a 21st CCLC ASSETs grant with the a Community Based Organization (CBO). The CBO no longer has the capacity to serve the schools listed on the grant. Both entities are in agreement that they should be removed as a partner.
Is this allowable? Why or why not?

Answer:

Test Your Knowledge! Grant Modifications – Fiscal Agent Change

Scenario 4:

Brady Unified School District is listed as the fiscal agent on an ASES grant with a CBO listed as a partner, or co-applicant. Brady Unified School District has requested a fiscal agent change to have the CBO listed as the fiscal agent of the grant. Would this be allowable? Why or why not?

Answer:

Scenario 5:

Sonnenburg County Office of Education currently is the fiscal agent for two districts in their county, who are also listed as partners on the ASES grant. The COE no longer wants to be the fiscal agent and has requested that one of the districts become the fiscal agent for all of the sites in both districts. Would this be allowable? Why or why not?

Answer:

Test Your Knowledge! Grant Modifications – School Site Substitution
