About Blanca E. Rubio:

Blanca has worked tirelessly to give her constituents a voice in the Capitol, placing advocacy for children, women, families, students, and immigrants at the forefront of her work. Since her election in 2016, Blanca has authored bills that support victims of domestic violence, create opportunities for children within the foster care system, ensure our youngest students are given proper support to succeed in school, and support for immigrant communities. Blanca has also raised awareness of women's rights by authoring resolutions that declare August Breast Feeding Awareness Month and October Domestic Violence Awareness Month. Before coming to the Assembly, Blanca spent 16 years as a teacher and 20 years in elected office, serving on the Valley County Water Board, an Baldwin Park Unified School District. Her students-first philosophy made Blanca a leader and champion for students in and out of the classroom. She was successful in her efforts to improve academic outcomes for students, aligning them with vital resources for college preparation. Blanca was born in Juarez, Mexico, and came to the United States with her parents at a young age. Her personal experiences have given her a genuine understanding of the everyday struggles and barriers that immigrants and working families continue to face in the United States. Assemblymember Rubio received her Bachelor's Degree in Business Administration and Master's Degree in Education with a Multiple Subject Teaching Credential from Azusa Pacific University. Blanca is a resident of Baldwin Park and a proud mother of two children.
