About Brian Jones:

Brian W. Jones was born on a military base in Austin, TX, and his family moved from Colorado to San Diego County when he was ten years old. He earned his bachelor's degree in Business Administration at San Diego State University. Brian has pursued many opportunities including general manager at a local pizza franchise, car salesman, associate pastor, and a commercial real estate agent. Brian and Heather met while working at the local pizza franchise. They have been married for 28 years and currently live in Santee. They enjoy spending time with their three adult children Christopher, Matthew, Melina, and her husband, Justin. As an avid constitutionalist, Brian cares deeply about freedom and liberty. Driven by his commitment to improving the quality of life in his community, Brian first found his passion for public service as a Santee City Council Member from 2002-2010 and then again from 2017-2018. Brian took this passion for his community to the state level when he was elected to represent California's 77th Assembly District from 2010-2012 and California's 71st Assembly District from 2012-2016. While in the Assembly, he focused on creating a better economic environment for small businesses and supporting our Armed Forces members and veterans. He sponsored several notable legislative measures including his "Made in America" legislation, which makes it easier for manufacturers to do business in California, and legislation supporting the expansion of the craft beverage industry.
